

Heritage Statements - do you agree or disagree?

It's a waste of money.

We could spend the money on hospitals and schools instead.

People can work there and earn money.

Visiting tourists spend money in the local area.

Visitors cause pollution.

Visitors cause congestion on the roads.

History is boring.

Old places should be knocked down and the land used to build new houses.

Our history is something to be proud of.

Families can visit and have fun together.

History is interesting.

If we look after our heritage today people in the future can enjoy it too.

It's fun to learn about history by visiting somewhere and not just by reading about it.

We should think about the future and not worry about the past.

Thinking about the past can sometimes help us plan the future.
